

REMARKS

In response to the Office's objection to the drawings, the Applicants note that no Replacement Sheets were intended to be filed in the instant application on January 14, 2004. A second and identical set of Figures 77C through 81 (Sheets 79 – 86) were inadvertently filed with the application. The present application includes Figures 1 through 93 on a total of 98 drawing sheets.

If there are any questions or comments regarding this Response or application, the Examiner is encouraged to contact the undersigned attorney as indicated below.

Respectfully submitted,
